RE: Permit Alteration: Project #17-044, Smith Crossing, Orland Park
Permit Holder: The Washington and Jane Smith Home and Washington and Jane Smith
Community - Orland Park

Dear Mr. Guajardo:

On April 4, 2018, the Illinois Health Facilities and Services Review Board or Chairman acting on behalf of the Board approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to Increase GSF from 77,205 to 78,831 GSF. The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit and invalidate the permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
